Since Last Issue

Saturday, January 19th – Ed Archer led this multi-Club Amtrak trip to Sacramento. FORTY SIX members from TEN old car clubs rode the Capitol Corridor Express train to Sacramento. MPOTAC

members included Russ and Marie Genna, Rob Guzzetta and the

Archers. During the trip Ed and Rob brought out their ukuleles for an impromptu sing along. Arriving in Sacramento, about forty members enjoyed lunch at

Joe's Crab Shack in Old Town. Good food, performing servers and a river view made it perfect. Afterward, some

went to the train and car museums, Crocker Art museum or visited the Sacramento Old Town shops. Afternoon trains then carried everyone home. A mild winter day spent with a great bunch of like-minded people made their day

Saturday, January 26th – Portola Valley and Alpine Railroad Tour –

NINETEEN MPOTAC members met at the Highlands Club; Bob Moll then led

us to tour the nearby Woodside Community Museum. Next, Bill Bratt guided

us to lunch in Menlo Park, joining the Model T Club. Both clubs then caravanned up to the private Portola Valley & Alpine scale Railroad for some steam powered fun.

See more photos on the Club website.

ROAD HUMOR

A retired gentleman was stopped by the police around 2 a.m. and was asked where he was driving at that time of night.

He replied, ***"I'm on my way to a lecture about alcohol abuse and the effects it has on the human body, as well as smoking and staying out late."***

The officer asked, "Really? Who's giving that lecture at this time of night?"

The driver replied, ***"That would be my wife."***
