ETHANOL-FREE Gasoline

Searching for "pure" gasoline for your older vehicle? A car buddy mentioned the www.pure-gas.org website. I checked this site, finding only 19 "Pure Gas" Stations in California, all in the far north (Eureka) or south (Orange County.) Please let us know if you locate such fuel in the Bay Area.

Thanks,

Winter definitely here

Frosty Windshields on the street

Is there at least some antifreeze in your coolant? Are your freeze plugs in good shape? the battery? With more storms coming, do you have a cover for the cars stored outside?

Hennessy Automotive's "**5th Annual New Year's Eve Lunch with Mike!**" took place at Mike's Santa Clara shop on a cold, gray December Friday. Mike Hennesey's warm-hearted welcome offset the chills as car people had one last 2016 fling.

Mike & his wife, Susan sponsor the HOT SAN JOSE NIGHTS events which usually start in April; MPOTAC will keep you posted.
