The Road Ahead,

AUTOVINO is moving during August-September. This Menlo Park collector car storage facility will move to San Carlos within the next two months, per Chief Operating Officer Phil Giurlani. He hopes to invite MPOTAC to visit after the move, perhaps combining a local tour with lunch at their new facility.

Volunteers!

Any volunteers out there? Time to step up. Treasurer Rob Guzzetta and Publications Chair Len Flaherty will complete their terms this November. Both have kept complete records, templates, etc. over their years of service, providing a smooth transition for the 2022 officers.

We're glad to train the incoming Treasurer and Publications Chair. Hey, both of us were once NEWBIES, so don't be shy. Nominate a member for one of these positions or run for office yourself! Two members can share the duties on either position. Contact any Board member.
